Identifying with Elli

What part of Elli's story could you relate to yourself and your own life the ...

New comment:

How Elli helps her mom sewing and putting together clothes to sell for her family is similar to how I interact with my parents. My father works from home, so when I get home from school, my little brother and I sometimes help out around the house so my dad can finish his work before dinner. ...

Identifying with Elli

What part of Elli's story could you relate to yourself and your own life the ...

New comment:

My brother is similar to Elli's as he acted with the yellow star in Chapter 2. When something difficult happens in life, he manages to find a funny way of turning it around.
