Using the four structural components that are generally found in runaway slave narratives outlined in General Structure of Slave Narratives, work with your group to identify the content from "Box" Brown's narrative that fits into these structural components of a slave narrative.

1) What was the "Precipitating Event" in Brown's narrative?

2) What was the "Path of Escape" in Brown's narrative?

--

3) What were the "Events along the Way" in Brown's narrative?

--

4) What was the "Result" in Brown's narrative?
