

Intelligence Briefing Planning Sheet

Student Name	Date

Your empire team will create a brief PowerPoint Intelligence Briefing of your empire to the other empire teams. This introduction will give other empires key factors to consider when interacting with and negotiating treaties with your empire.

PowerPoint's must be no more than seven slides and will include **images only (no text).** Images should reflect the following about your empire:

- Introduction to main points
- Map of empire
- Art/Architecture from your empire
- Economic priorities of your empire
- Political structure of your empire
- Religion in your empire
- Summarization of main points

Each empire groups will be given five to seven minutes to present this information to the other empires, focusing on what they would like diplomats from other empire to know/understand about their empire. What will attract people to trade with you? What do you have to offer other empires? You will be expected to use key information from your empire's Factors to Consider and your textbook.

Step 1: Gather information about your empire using the Factors to Consider and your textbook. Complete the Empire Fact Finding Graphic Organizer;

Step 2: Using the template below, sketch out the main ideas and images that will represent them.
