

## Handout 1. Map of Hopi Lands

Map based on a template by Patricia Wynne. See: Dr. Peter Whiteley, “[Hopi Concepts of Landscape and Person as Indices of Biocultural Loss](#),” (paper presented at Sustaining Cultural and Biological Diversity in a Rapidly Changing World: Lessons for Global Policy, April 2–5, 2008, Center for Biodiversity and Conservation, American Museum of Natural History). Used by permission of the American Museum of Natural History. Permission has been received from Dr. Whiteley to reproduce this map.
