

Worksheet 3: Hopper's House by the Railroad

Student Name	Date
Read Hirsch's "Edward Hopper and the Ho	ouse by the Railroad (1925)"
(http://english.emory.edu/classes/paintir	ngs&poems/house.html) at least three
times, and be sure to read it twice aloud.	
Hirsch's poem. (After class discussion, yo	
to prepare for some writing later):	a can energiate unphient cabjects in craci
to prepare for some writing later).	

Now choose a few of the subjects—those you think either especially important or most evocative of the subjects in Hopper's painting—and list them in the left-hand column. In the right-hand column, note those words and images from the poem most directly related to those subjects. Add more boxes as necessary:

Subject	Related Words and Images
